2. OBJECTIVES:

- broadening knowledge of the state of the art in the specific scientific area of the scholarship;
- identify and select the appropriate methods for the study in question;
- develop research skills through the application of selected methods;
- exercise critical thinking when evaluating the research process and the results obtained.

3. BRIEF PRESENTATION OF THE WORK PROGRAMME AND TRAINING:

The training area of the scholarship is data management and governance, applied to industry. It involves issues of digital maturity, data sharing, data ecosystems, methodological aspects of the design and implementation of data management strategies and the design of consultancy services in this area.

The main activities to be carried out by the grant holder are:

- Systematically analyse and characterise existing tools for characterising the maturity of corporate data management and the creation of data ecosystems.
- Developing a personalised data management maturity assessment methodology for the Portuguese industrial sector.
- Collaborate in defining a management strategy for sectoral data sharing ecosystems.
- Collaborating in the establishment of pilots to populate ecosystems and evaluate the methodology developed.
- Collaborating in the writing of technical-scientific documents and the writing of the grant's activity report.

4. REQUIRED PROFILE:

Admission requirements:

- Master's degree in computer engineering, industrial engineering, information systems, information science, management or related field;
- The awarding of the fellowship is dependent on the applicants' enrolment in study cycle or non-award courses of Higher Education Institutions.

Preference factors:

- Experience in data management models.
- 1 paper published in a conference or peer-reviewed journal

Minimum requirements:

- average of bachelor's and master's degrees higher than 12;
- 1 paper published in a conference or peer-reviewed journal.

5. EVALUATION OF APPLICATIONS AND SELECTION PROCESS:

Selection criteria and corresponding valuation: the first phase comprises the Academic Evaluation (AC), based on the criteria referred to in Article 12 of the [Regulations for Grants of INESC TEC](#), while the second phase comprehends the Individual Interview (EI). All factors are evaluated on a scale of 0 to 100, taking into account the applicants' merit, suitability and conformity with the preference factors.

The weight of the AC factors are as follows: Academic Qualifications (FA, 50%), Scientific Publications (PC, 20%), Experience (EX, 20%) and Motivation Letter (CM, 10%).

Candidates who score less than 50 points in the AC average will be considered excluded on absolute merit. The top five candidates approved on absolute merit will be qualified for the individual interview. The Final Grade (CF) is obtained by the weighted average of AC (80%) and EI (20%).

DISABILITY INCENTIVE

Candidates who present a degree of disability equal to or greater than 90% will benefit from an incentive (20) in the score of the CV Assessment.

Candidates who present a degree of disability equal to or greater than 60% and less than 90% will also benefit from an incentive (10) in the score of the CV Assessment.

Said score may, in these cases, exceed 100 points.

Candidates must demonstrate the degree of disability during the application, namely through the submission of the Multi-Purpose Medical Certificate of Disability, issued in accordance with Decree-Law no. 202/96, of October 23 - currently in effect.

Candidates must declare, in the application form, the type of disability used throughout the selection process, in order to proceed with the required adaptations.

The Selection Jury is composed of the following members:

- President of the Jury: António Lucas Soares
- Full member: Davide Rua Carneiro
- Full member: Cristovão Sousa
- Substitute member:

Release of results and prior hearing: the results of the selection process, as well as the terms and procedures for prior hearing, will be released to the applicants by email, under the terms referred to in Article 13 of the Regulations for Studentships and Fellowships of INESC TEC.
