

CALL FOR GRANT APPLICATIONS (AE2025-0078)

INESC TEC is now accepting grant applications to award 1 Research Grant (BI) within the scope of the within the CitiLink project with reference 2024.07509.IACDC/2024, co-funded by Component 5 - Capitalization and Business Innovation, integrated in the Resilience Dimension of the Recovery and Resilience Plan within the scope of the Recovery and Resilience Mechanism (MRR) of the European Union (EU), framed in the Next Generation EU, for the period 2021 - 2026.

1. GRANT DESCRIPTION

Type of grant: Research Grant (BI)

General scientific area: COMMUNICATION SCIENCES,COMPUTER SCIENCE

Scientific subarea: Science Communication,Programming,Database management

Area of Work: Language Sciences

Grant duration: 7 months, starting on 2025-04-01.

Scientific advisor: Purificação Silvano

Workplace: INESC TEC, Porto, Portugal

Maintenance stipend: € 990,98, [according to the table of monthly maintenance stipend for FCT grants](#) , paid via bank transfer. Grant holders may be awarded potential supplements, according to a quarterly evaluation process (Articles 19, 21 and 22 of the [Regulations for Grants of INESC TEC](#) and Annex II), up to a maximum limit of 50% of the monthly maintenance stipend.

INESC TEC supports costs with registration, enrolment or tuition fees, during the grant duration, under the terms established in the internal document: "[Payment of Tuition fees to grant holders](#)".

The grant holder will benefit from health insurance, supported by INESC TEC.

2. OBJECTIVES:

Develop an annotated dataset of city council meeting minutes and their summaries and simplifications;
Evaluate the applicability of an extension of the Tex2Story annotation scheme to this type of text;
Validate the results of the LLM models developed by the computer science team for information identification, extraction, simplification and summarization tasks in European Portuguese;
Determine the impact of the prototype on converting free-text data into structured data, in collaboration with the communication and computer science team.

The successful candidate will collaborate with a team of linguists, and NLP researchers from INESC (<https://nlp.inesctec.pt>) and will have the opportunity to work in a dedicated and young environment, in close interaction with researchers, master's, doctoral and post-doctoral students working on various topics related to Semantic Annotation and Natural Language Processing.

3. BRIEF PRESENTATION OF THE WORK PROGRAMME AND TRAINING:

Selecting the minutes of city council meetings for the dataset;
Annotate the dataset of city council meeting minutes with semantic information (events, participants, time expressions and opinions of participants);
Produce summaries and simplifications of the minutes based on the annotation carried out and the manual developed;
Verify the results of the LLM models developed by the computer science team for tasks such as event

identification, position detection, simplification and summarization of text in European Portuguese;
Collaborate with the communication and computer science team to assess the impact of the prototype for converting free-text data into structured data;
Actively participate in the project's dissemination activities;
Writing and collaborating on the publication of scientific articles;
Actively participate in project meetings.

4. REQUIRED PROFILE:

Admission requirements:

Degree in Linguistics

The awarding of the fellowship is dependent on the applicants' enrolment in study cycle or non-award courses of Higher Education Institutions.

Preference factors:

Familiarity with annotation tools, such as Inception.

Minimum requirements:

MSc student in Linguistics, with the first year of the program completed;

Proficiency in the Portuguese language (spoken and written) in the European variety, demonstrated by a C2 level diploma according to the Common European Framework of Reference for Languages or as a native language. This requirement is essential, as the project involves annotation in European Portuguese using a diverse set of documents in the language;

Relevant experience in semantic annotation in European Portuguese;

Successful completion of at least one subject in Semantics during the first year of the master's program;

Fluency in English (spoken and written);

Communication skills and the ability to collaborate in a team.

5. EVALUATION OF APPLICATIONS AND SELECTION PROCESS:

Selection criteria and corresponding valuation: the first phase comprises the Academic Evaluation (AC), based on the criteria referred to in Article 12 of the [Regulations for Grants of INESC TEC](#), while the second phase comprehends the Individual Interview (EI). All factors are evaluated on a scale of 0 to 100, taking into account the applicants' merit, suitability and conformity with the preference factors.

The weight of the AC factors are as follows: Academic Qualifications (FA, 40%), Scientific Publications (PC, 5%), Experience (EX, 25%) and Motivation Letter (CM, 30%).

Candidates who score less than 50 points in the AC average will be considered excluded on absolute merit. The top five candidates approved on absolute merit will be qualified for the individual interview. The Final Grade (CF) is obtained by the weighted average of AC (50%) and EI (50%).

DISABILITY INCENTIVE

Candidates who present a degree of disability equal to or greater than 90% will benefit from an incentive (20) in the score of the CV Assessment.

Candidates who present a degree of disability equal to or greater than 60% and less than 90% will also benefit from an incentive (10) in the score of the CV Assessment.

Said score may, in these cases, exceed 100 points.

Candidates must demonstrate the degree of disability during the application, namely through the submission of the Multi-Purpose Medical Certificate of Disability, issued in accordance with Decree-Law no. 202/96, of October 23 - currently in effect.

Candidates must declare, in the application form, the type of disability used throughout the selection process, in order to proceed with the required adaptations.

The Selection Jury is composed of the following members:

President of the Jury: Ricardo Campos

Full member: Alípio Jorge

Full member: Purificação Silvano

Substitute member: Nuno Ricardo Guimarães

Release of results and prior hearing: the results of the selection process, as well as the terms and procedures for prior hearing, will be released to the applicants by email, under the terms referred to in Article 13 of the Regulations for Studentships and Fellowships of INESC TEC.

6. FORMALISATION OF APPLICATIONS:

Application Documents:

1. Motivation letter;
2. Curriculum Vitae (must include the list of previous fellowships, their type, beginning and end dates, funding entities and host institutions);
3. Certificate or diploma degree;
4. Proof of enrollment in a degree awarding study cycle or in a non degree awarding Higher Education program.
 - The proof of enrollment may be presented just during the grant hiring stage.
5. Signed declaration stating the infringement of the grant holder's duties (article 14, no. 4)
6. Documental evidence to support the country of residence, residence permit or other legally equivalent document, in cases where the applicant is a foreigner or non-resident in Portugal - valid until the beginning of the grant.
7. Other supporting documents relevant to the final assessment.

Failure to deliver the required documents within the 90-day period after the date of the notice of the conditional awarding of the grant implies its cancellation.

Application period: From 2025-02-18 to 2025-03-03

Submission of applications: the application will be formalised by submitting the form available in the *Work With Us* section of INESC TEC website.

7. BINDING LEGISLATION AND REGULATION

The hiring process shall comply with the current legislation regarding the Research Grant Holder Statute, approved by Law no. 40/2004 of August 18, in its current wording, as well as by the [Regulations for Grants of INESC TEC](#) and for [FCT Grants Regulation in force](#).

For more information, please check the [Regulations for Grants of INESC TEC](#) and relevant annexes at www.inesctec.pt/bolsas
