2. OBJECTIVES:

The selected candidates will be members of the research project InfraGov, which aims to develop the first language-agnostic solution for reliable analysis and automated repair for Infrastructure as Code that also uses recent developments in generative AI for reducing the time from vulnerability disclosure to mitigation.

The selected candidates will:

- Contribute to the software implementation of the InfraGov toolchain.

3. BRIEF PRESENTATION OF THE WORK PROGRAMME AND TRAINING:

- Collaborate with the InfraGov team on software development;
- Collaborate with the InfraGov team on the writing of scientific papers;
- Produce a technical report documenting all the tasks performed.

4. REQUIRED PROFILE:

Admission requirements:

- BSc degree in Computer Science and Engineering or similar area.

The awarding of the fellowship is dependent on the applicants' enrolment in study cycle or non-award courses of Higher Education Institutions.

Preference factors:

- Preference is given to candidates who have experience in software development (for example, developing full-stack applications), particularly as part of extra-curricular activities (such as internships or side projects).

Minimum requirements:

- Overall final grade of BSc greater than 17.

5. EVALUATION OF APPLICATIONS AND SELECTION PROCESS:

Selection criteria and corresponding valuation: the first phase comprises the Academic Evaluation (AC), based on the criteria referred to in Article 12 of the [Regulations for Grants of INESC TEC](#), while the second phase comprehends the Individual Interview (EI). All factors are evaluated on a scale of 0 to 100, taking into account the applicants' merit, suitability and conformity with the preference factors.

The weight of the AC factors are as follows: Academic Qualifications (FA, 50%), Scientific Publications (PC, 0%), Experience (EX, 25%) and Motivation Letter (CM, 25%).

Candidates who score less than 50 points in the AC average will be considered excluded on absolute merit. The top five candidates approved on absolute merit will be qualified for the individual interview. The Final Grade (CF) is obtained by the weighted average of AC (80%) and EI (20%).

DISABILITY INCENTIVE

Candidates who present a degree of disability equal to or greater than 90% will benefit from an incentive (20) in the score of the CV Assessment.

Candidates who present a degree of disability equal to or greater than 60% and less than 90% will also benefit from an incentive (10) in the score of the CV Assessment.

Said score may, in these cases, exceed 100 points.

Candidates must demonstrate the degree of disability during the application, namely through the submission of the Multi-Purpose Medical Certificate of Disability, issued in accordance with Decree-Law no. 202/96, of October 23 - currently in effect.

Candidates must declare, in the application form, the type of disability used throughout the selection process, in order to proceed with the required adaptations.

The Selection Jury is composed of the following members:

President of the Jury: Alexandra Sofia Mendes

Full member: João Alexandre Saraiva
